About the Program

i. General Information

◆ Brief Introduction

The Diploma & Degree Education Program for Developing Countries was initiated in 2008 by the Ministry of Commerce (MOFCOM) of the People's Republic of China with the support of China's Foreign Aid Fund. It aims to cultivate high-end financial and commercial officials as well as administrative talents in the aided countries. This Program is devoted to cultivating high-level, inter-disciplinary and application-oriented talents in the fields of politics, commercial trade, diplomacy, agriculture, science, education, literature, health, energy, transportation and public administration and providing intellectual support for the economic and social development in the aided countries.

2022 Master of Audit Program is one of the programs under the Diploma & Degree Education Program for Developing Countries. Nanjing Audit University has undertaken the training work of the program since 2017,

and has accumulated rich experience in running the program and prepared good resources and conditions for running the program.

◆ About the Applicants

This Program mainly funds the auditors or auditing-related working staff from respective SAIs of the developing countries with a bachelor's degree before application and a certain amount of work experience in auditing.

◆ Cultivation Objectives

The Program aims to cultivate the high-level, inter-disciplinary and application-oriented audit professionals, who possess good professionalism, a strong sense of work ethics, a systematic command of knowledge and techniques in modern national audit and relevant fields, the ability to solve practical audit problems and sound audit competency.

◆ Admission Quota

2022 China Ministry of Commerce Scholarship MAud Program is undertaken by Nanjing Audit University. The 2-year program plans to enroll 40 full-time candidates in the major of government audit and all the courses will be taught in English.

◆ Financial Aid

1. After admission, the students do not have to pay for the tuition fee, the textbooks and learning materials, the research and field trips, the subsidies for developing the English-taught program, the graduation thesis guidance fee.

2. A free room on campus will be provided to the students.

3. The standard for living allowance is RMB 3,000 yuan per person per month from the registered month till August 2024, which will be paid to the students on a monthly basis by Nanjing Audit University.

4. RMB 3,000 yuan will be paid to the students as one-time settlement fee.

5. The students will be provided with the comprehensive medical insurance in China.

6. The scholarship also covers a flight ticket for students to come to China at enrollment and a flight ticket for students to go back to their home country at graduation. In addition, within the two-year program, MOFCOM will provide one round-trip flight tickets for home visits (If the epidemic affects the Mainland accessing, round-trip tickets for family visits will not be provided).

7. An annual review will be conducted to each student, and those who pass the annual review can continue their studies with the support of the scholarship.

8. The remaining part of the scholarship will be utilized by MOFCOM or Nanjing Audit University according to an overall plan and shall not be distributed to students. MOFCOM only sponsors the students who graduate within the program duration. The students who have to postpone their studies due to various reasons will not be further funded.

ii. About Nanjing Audit University

◆ Overall Introduction

Nanjing Audit University (NAU) is the only full-time undergraduate institute at home and abroad that carries “Audit” in its name, and is one of the birthplaces of audit higher education in China. It has been established, developed, flourished and elevated for audit. NAU was initially founded in

1983, renamed as Nanjing Audit Institute in 1987, and merged with Nanjing Finance College in 2002. In 2007, it successfully passed the National Undergraduate Academic Accreditation authorized by the Ministry of Education with "excellence" grade. In 2011, it was granted as the first batch of authorized units of master degree in auditing, and was granted as the authorized unit of master degree (academic degree) in 2013. In 2015, it was assumed its current name approved by the Ministry of Education. In 2017, NAU became listed among the newly-added Doctor Degree Conferring Construction Project Universities in Jiangsu Province. In 2018, it signed the strategic cooperation framework agreement with the Audit Office of the Central Military Commission (CMC) of China. In its 38 years of development, NAU has always adhered to the initial intention of serving the audit career, and has pioneered a characteristic path of "serving national strategic needs as the orientation, serving national economic supervision and national governance as the mandate, and meeting the needs of the audit industry and regional economic and social development as the focus". NAU has now become the cradle for training audit talents, a base for auditing scientific research, a think tank for auditing career development and a window for auditing international exchange.

NAU's current full-time undergraduates, postgraduates and international students totals more than 18,000. It has a full-time teaching faculty of more than 1,100, amongst whom 185 with senior professional titles, 731 with doctoral degrees and 273 postgraduate supervisors. Today's NAU consists of two campuses in Pukou and Mochou respectively, covering a total area of 1.2 million square metres. The CPC School and Audit Academy of CNAO are both located on NAU Pukou Campus.

NAU has built a system of disciplines and specialties with audit as the brand and the disciplines of Economics, Administration, Law, Engineering, Liberal Art and Science supporting each other and developing synergistically.

There are 7 authorized first-class master degree disciplines (*Business Administration, Theoretical Economics, Applied Economics, Law, Statistics, Computer Science and Technology, Public Administration*) and 8 authorized master degree disciplines (*Auditing, Accounting, Finance, Business Administration, International Business, Law, Applied Statistics, Electronic Information*). It has 2 provincial advantageous disciplines (*Business Administration and Applied Economics*), 1 provincial key cultivation discipline (*Theoretical Economics*) and 5 provincial key construction disciplines (*Public Management, Statistics, Computer Science and Technology, Mathematics and Marxist Theory*). In the global ranking of Economics research power of universities released by *Shanghai University of Finance and Economics*, the school ranks 179th in the world and 9th in universities across the Taiwan Strait, Hong Kong and Macau, and *Applied Economics* ranks 6th in mainland China.

NAU has always adhered to the internationalization strategy and actively carried out international exchanges and cooperation. As the organizer and practitioner of the "Chinese Government Scholarship Audit Master Program" jointly set up by the CNAO and the Ministry of Education, the organizer of the "Foreign Aid Degree Education Program" of the Ministry of Commerce, NAU has been recruiting international audit master students from countries along the "Belt and Road". It has also successfully passed the Quality Accreditation of International Students' Education initiated by the Ministry of Education. NAU has been accredited by the Institute of Internal Auditors (IIA) as the only "Internal Audit Education Partner" (IAEP) partner university in China. NAU has been awarded "Platinum Level Training Institution" by the Association of Chartered Certified Accountants (ACCA) as the "University with the highest number of ACCA talents in the world". NAU has also established an international joint audit school with French SKEMA Business School and has been newly granted as the base of

"Innovation Practice Program for Cultivating High-level Internationalized Talents" by the Ministry of Education. Since 2008, 27 teachers engaged in 70 UN Audit assignments, and a totality of 10 faculty teachers have been selected in the UN Audit Talents Pool. NAU has established extensive cooperation and exchange contacts with international organizations such as International Organization of Supreme Audit Institutions (INTOSAI) and Asian Organization of Supreme Audit Institutions (ASOSAI), as well as the supreme audit institutions of dozens of countries and regions such as the US and France. Auditors General from nearly 40 countries and regions such as Brazil, India, South Africa and other auditors are conferred as Honorary Professors. In the recent five years, NAU teachers have attended 502 international conferences and academic exchanges abroad, and 45 international conferences and training courses have been held on campus.

In recent years, the university has comprehensively strengthened the construction of the CPC leadership, promoting the high-quality development of various undertakings.

At present, guided by President Xi Jinping's ideology of Socialism with Chinese Characteristics in the New Era, as well as under the leadership of the university's CPC Party and administration leadership panel, NAUers are firmly following the spirit of the 19th CPC National Congress and the 5th Plenary Session of the 19th CPC Central Committee, practicing the education philosophy of "Character, Quality and Internationalization" and practicing the school motto of "Honesty, Truth-seeking, Diligence and Devotion to Public Duty". We are striving to accelerate our efforts to build a high-level university with distinguished features that has a significant impact and the AUDIT university that is renowned both at home and abroad.

◆ About the Program Implementing Units

1. School of International Exchange (SIE)

The School of International Exchange of Nanjing Audit University caters to international students and aims to promote cross-cultural exchange among Chinese and foreign students, cultivating international talents who are familiar with Chinese culture and committed to the common development of countries around the world.

SIE shoulders responsibilities of recruiting all-leveled qualified candidates for China Government Scholarship, specialized scholarship sponsored by different Chinese ministries, Jiangsu Provincial Scholarship, Nanjing Municipal Scholarship, and Nanjing Audit University International Students Scholarship. With the focus on the brand-major of auditing, the scholarships are available for both undergraduates and postgraduates in 15 different majors, such as auditing, accounting, economics, international trade, etc. SIE is in charge of the strategic planning of international students' affairs of NAU, the students' enrollment issues and daily administration.

2. School of Government Audit (SGA)

Founded in December of 2015, SGA determines to meet the need of national governance and national audit, aiming at the academic foreland and allocate a cluster of disciplines including auditing, politics, law, public finance, finance, accounting, engineering science, computer science, environmental science and so on. SGA is integrating the research effort of national audit, trying hard to forge the national audit intelligence tank, cultivating multi-leveled talents in the field of national audit and constructing the consulting service system of national audit.

SGA is equipped with outstanding faculties. At present, it has fifty-nine full-time teaching staff, among whom, there are twenty-seven professors,

thirteen assistant professors, and nineteen lecturers. In the faculty, we have fifty doctors educated domestically and eleven overseas.

Now SGA owns eight research institutes. They are the Institute of National Governance and National Auditing, the Institute for Political and Economic Research, the Institute for Social and Economic Research, the Institute of Auditing Science, China Audit Information Center, National Auditing Big Data Research Centre, the Institute for Urban Development Research and the Institute of Auditing and Evaluation Honors. The two disciplines, namely “Auditing Science and Technology” and “Modern Auditing Science” are chosen respectively in the first and second stage of preponderant discipline construction project of higher education in Jiangsu Province. “Modern Auditing Development Research Center” is the philosophy and social sciences research base of higher education in Jiangsu Province.

The specialty of auditing is the characteristic specialty and “Pilot Project of Specialty Comprehensive Reform” of Ministry of Education, Key Specialty and Brand Specialty of High Education in the 12th Five-Year Plan period of Jiangsu Province. Meanwhile the school tightly ties with National Audit Office and audit offices in government at all levels. The School of Government Audit is actively exploring the deeply integration of national and professional education and by which improving constantly the innovation of training mode.

3. About the Living Environment and Accommodation Conditions

Nanjing, abbreviated as "Ning" and known as Jinling in ancient times, is the capital of Jiangsu Province. It is a sub-provincial city, a mega-city, the core city of Nanjing metropolitan area. It is also an important central city in the eastern region of China, an important national scientific research and education base and a comprehensive transportation hub as determined by the State Council. Nanjing is located in the eastern part of China, downstream of

the Yangtze River, near the river and the sea, and is an important gateway city of the Yangtze River Delta radiating and driving the development of the central and western regions, as well as an important node city of the strategic intersection of the eastern coastal economic belt and the Yangtze River economic belt, as planned by the State Council.

Nanjing is a hilly area, dominated by low hills and gentle hills, with a humid north subtropical climate and a water area of more than 11%. It is one of the first national historical and cultural cities, an important birthplace of Chinese civilization, and has long been the political, economic and cultural center of southern China. Nanjing has a humid climate with four distinct seasons and a moderate price level, the annual average temperature is 15.4 °C. It is a suitable place to live in.

Nanjing Audit University provides single rooms on Pukou Campus for MAud students. Each room is equipped with an air-conditioner, a refrigerator, a washing machine, a washroom, shower facilities, wireless network access, etc. A shared kitchenette is available on each floor of the building. Apart from dormitories and canteens, there are sports playgrounds, clinic, post office, convenience stores, hair salon, laundry shop, printing shops, etc. There are public buses and taxis available right outside of the school gate, and it takes less than 10 minutes' bus ride to the center of the local downtown. There are banks, supermarkets, restaurants, hospitals and city metros available in the district community.

iii. About the Teaching Arrangements

◆ Course Settings

The MAud Program students are required to attain 50 credits to fulfill the requirements of degree application. The course system is composed of seven modules, namely, compulsory basic courses, specialty core courses (for

degree), general knowledge courses, selective courses, international conference and academic lectures, practice and internship, and degree thesis.

- Basic course: 19 credits, compulsory.
- Specialty core courses (for degree): 17 credits, compulsory.
- Selective courses: 7 credits at least.
- International conference and academic lectures: 1 credit, compulsory.

Students are required to attend at least international conferences or academic lectures for 6 times. Relevant academic reports are required to be submitted to tutors and to the administrative body.

● Practice and internship: 3 credits, compulsory. Simulation laboratories will be the main sites for the international students practice arena. Case study, scenario simulation, visits to Chinese auditing institutions, seminar with auditing practitioners will also be integrated into this part. 3 credits will be granted upon a decent report on practice and internship.

● Degree thesis: 3 credits, a compulsory part for graduation and the degree application.

◆ Degree Thesis

Degree thesis should be closely linked with national auditing practice and reflect students' competency in applying audit and related discipline theory, knowledge and methodology to analyze and solve practical problem. It can be written in the form of an academic research report, a policy research report, a monographic study, or a case analysis. Whatever the form of the thesis, it should reflect the students' capability in applying basic theories and professional knowledge to solve practical issues.

Both Chinese and English languages are all accepted in writing the thesis, while the abstract is required to be written in Chinese.

International students without special cases are required to stay in China in the 4th semester to complete their thesis writing as well as the internship. In case of materials and data needed from home countries for the thesis writing, this should be done during the summer or winter vacation.

The Thesis defense must be taken in Nanjing Audit University upon gaining all the required credits. The form of thesis defense is to be decided by the related cultivating departments. The Thesis Defense Committee would include some experts with professional posts in the audit practice field. Three credits will be granted to a successful defense.

◆ Degree Conferring

According to Nanjing Audit University MAud Program Education Plan, the students are required to: finish all the required courses and gain the

required credits, write a degree thesis in topics related to audit and pass the thesis defense, and pass the International Chinese Proficiency Test (HSK Level 3).

Having attained all the credits, passed the thesis defense, and met the requirements listed in the Regulations on Academic Degrees of the People's Republic of China, candidates need to file an application for the degree. Candidates are to be conferred the Master of Auditing at the approval of the University's Academic Degree Evaluation Committee.

Application Methods

i. Criteria for Application

2022 China Ministry of Commerce Scholarship MAud Program is intended for auditors or auditing-related working staff from respective SAIs of developing countries in Asia, Africa, Latin America and South Pacific Region. Applicants should meet up with the following requirements:

1. Applicants should be non-Chinese citizens from developing countries who are below 45 years old (born after September 1st, 1977).

2. Applicants should be in good physical and mental health. The health certificate or the physical examination form issued by local public hospital is required. They should not carry any entry-forbidden diseases in accordance with the Chinese laws and regulations. No serious hypertension, cardiovascular disease, diabetes, cancer and other severe chronic diseases, mental illness or other diseases that might cause massive infection and severe harm to public health; not in a major surgery recovery phase or acute disease ictal phases, no serious physical disability. Females that are pregnant shall not be admitted, and the scholarship will be discontinued when the females get pregnant in the process of study.

3. Applicants are supposed to have bachelor's degree or degrees above bachelor's degree and the work experience of at least 3 years.

4. Priorities will be given to applicants who are involved in the work or study related to audit.

5. Priorities will be given to applicants who are government officials ranked as or above section chiefs in their home countries, who are senior managers of various institutions or enterprises, who are academic backbones of higher educational and research institutions.

6. Applicants should have a good command of English which enables them to learn the courses taught in English (Reference: IELTS 6.0 or above, TOFEL 80 or above or other English test certificates with similar level).

7. Applicants should have career development potential in the relevant field and be willing to promote the friendly exchange and cooperation between their home countries and China.

8. Stable internet connection facilities for online web-based interactive learning, full time study during the study period (from September, 2022 till graduation).

9. Those who are currently studying in China or admitted by other Chinese Government Scholarship programs are not allowed to apply for this program.

ii. Application Procedures

◆ Application Documents

Please get the following documents ready before you start your application:

1. Recommendation Letter from Institutions: The recommendation letter issued by the institution with which the applicant works should include introducing the applicant and expressing the willingness to recommend the

applicant to study in China. Applicants recommended by SAIs should present the recommendation letter from Head of SAIs. Priorities will be given to those applicants with recommendation letters written by Head of SAIs.

2. Recommendation Letter from Professionals. The letter should be written by professionals with the title of associate professor or higher. The letter should focus on academic qualification, major field of study, achievement and research ability.

3. Photocopies of Diploma or Certificate: “ Graduation Certificate ” and “ Certificate of Degree ” of your most advanced studies.

4. Photocopy of Academic Transcript of your most advanced studies.

5. Resume: Please specify your personal experience, academic experience after high school, and work experience.

6. Statement of purpose: Please specify your personal plan and purpose of studying the related major in China.

7. Study or research plan: Please specify the goals of study and research to be accomplished during the study in China.

8. Photocopy of the private passport: the photocopy of the information page of the passport, which clearly shows the photo, the name and the passport number. Do NOT use the diplomatic passport or the official passport.

9. Photocopy of the language proficiency certificate: the transcript or certificate of English language proficiency tests such as TOFEL or GRE etc., which is required of applicants from non-English-speaking countries.

10. Two 2-inch bareheaded photos in white background that are taken within 3 months before application.

11. Physical Examination Record for Foreigner: the physical examination record which is done within 1 month before application, which proves that the applicant does not carry any serious infectious diseases, the disability that affects the study, or any entry-forbidden diseases in accordance

with the Chinese laws and regulations.

Note: All materials need to be authentic and valid, once the fake materials are found, the admission qualification will be permanently cancelled.

◆ Application for Enrollment

Applicants who meet the above-mentioned requirements need to log onto Nanjing Audit University International Students Enrollment System (Website: <http://apply.nausie.cucas.cn/>). After successful registration, select MAud Program sponsored by MFCOM from the application interface, follow the operation steps to complete the application process and click submit.

◆ Application for Scholarship

Applicants must log onto <http://studyinchina.csc.edu.cn> for application. After registration and log in, applicants can choose “Online Application” and then “China Government Scholarship”, and fill in the name of the university, the major and personal information. Finally, print the application form, sign by hand and stick a photo onto it.

Notes:

A. Choose “Type B” for MAud Program. Agency No. 11287. Discipline is “practical economics”, majoring “audit”.

B. The auto-generated CSC code will be filled into *JW 201 Form*.

Note: Applicants should complete the online application on both Nanjing Audit University International Students Enrollment System (<http://apply.nausie.cucas.cn/>) and the China Scholarship Council's Application System ([http://studyinchina.csc.edu.cn /](http://studyinchina.csc.edu.cn/)).

◆ Submission

1. The applicants should gain the approval and recommendation of the relevant departments in their home countries before application and submit the application material in accordance with the specific requirements of the departments.

2. If the applicants are allowed to submit the application material directly to Chinese Embassy by the relevant departments in their home countries, they should present the approval documents or the recommendation letter. The original copies of documents 1, 2, and 3, together with the scanned copies, should be submitted to Business Department of Chinese Embassy.

3. The relevant departments in the applicant's home country should file a written request to Business Department of Chinese Embassy to issue a recommendation letter. The written request should clarify whether the applicants accept reallocation to pursue the same or similar degree in other universities when the enrollment quota of the intended university is fully occupied. Please clarify here, if you have other special requirements.

Notes:

(1) All the application documents should be written / printed in English or Chinese, and a notarized translation in English or Chinese should be provided if the original version is not in English or Chinese.

(2) For important documents such as “ Graduation Certificate ” , “ Certificate of Degree ” , “ Academic Transcript ” , “ Language Proficiency Certificate ” , etc., in addition to the photocopies, the original version should be submitted to Business Department of Chinese Embassy for verification, after which the applicants should scan all the documents and send the softcopy to the contact person of each program undertaker.

(3) After the verification of Business Department of Chinese Embassy,

candidates should retrieve all the paper documents (including the original copies and the photocopies) and keep them safe. When admitted, candidates should bring these documents to China and submit them to designated department of the university for verification, and they will be kept in archives.
